Lauren Kime elected as Secretary of NPMA's NOVA Chapter

ARLINGTON, VA – Sunflower Systems®, the leader in enterprise asset management software and solutions, announces that Lauren Kime, Consultant, has been elected Secretary of the Northern Virginia (NOVA) Chapter within the National Property Management Association (NPMA). NPMA is the leading membership association for personal property and fixed-asset professionals.

Established in 1986, the NOVA Chapter serves as a center of excellence, education and development for the property management profession in Northern Virginia and the Washington, D.C. region. Their 220 members represent organizations in all areas of the government, industry and education.

About Lauren Kime

Lauren Kime, CPPS, is a Consultant with Sunflower Systems, Inc. where she works on a client management center, providing support to system users and providing guidance and proposals to improve client's business processes. Along with daily system support, she provides documentation and client training. In addition to client work, Lauren assists in testing and documentation for Sunflower Patch Releases.

About Sunflower Systems

Sunflower Systems is an enterprise asset management solutions company specializing in the deployment of software tools and business processes to simplify lifecycle asset management tasks. Sunflower's portfolio of solutions enables organizations to improve decision-making, accountability and regulatory compliance for all types of assets including personal property, real property, IT assets, materials, vehicles and more. Sunflower Systems offers a wide range of services including software implementation, training, consulting and operational support. Sunflower Systems has been serving the property management needs of federal government agencies, universities, government contractors and national laboratories since 1997. The company has offices in San Ramon, California and Arlington, Virginia. For more information, please call 866-209-3516 or visit our website at sunflowersystems.com.
