Matt Hatam Founder and President, NC - Queen City Chapter for NPMA

ARLINGTON, VA – Sunflower Systems®, the leader in enterprise asset management software and solutions, announces that Matt Hatam, Solutions Architect, is the founder and President of the Charlotte, NC – Queen City Chapter for the National Property Management Association (NPMA). NPMA is the leading membership association for personal property and fixed-asset professionals.

As the National Director of Marketing for NPMA, one of Hatam’s objectives is to establish opportunities for target markets not currently represented among the current NPMA membership; the NC – Queen City Chapter is the first new Chapter to be formed as part of this initiative.

About Matthew Hatam

Matthew Hatam, CPPS, is a Solutions Architect with Sunflower Systems, Inc. where he works with developers to create solutions that fit a client’s asset management needs. Throughout an implementation, he works on several key parts including design, documentation and data migration. In addition to his client work, he assists in the designing, testing, and documenting of various enhancements to the Sunflower Mobile Suite.

About Sunflower Systems

Sunflower Systems is an enterprise asset management solutions company specializing in the deployment of software tools and business processes to simplify lifecycle asset management tasks. Sunflower’s portfolio of solutions enables organizations to improve decision-making, accountability and regulatory compliance for all types of assets including personal property, real property, IT assets, materials, vehicles and more. Sunflower Systems offers a wide range of services including software implementation, training, consulting and operational support. Sunflower Systems has been serving the property management needs of federal government agencies, universities, government contractors and national laboratories since 1997. The company has offices in San Ramon, California and Arlington, Virginia. For more information, please call 866-209-3516 or visit our website at sunflowersystems.com.
