Brandon Kriner Elected Executive Vice President for NPMA

ARLINGTON, VA – Sunflower Systems®, the leader in enterprise asset management software and solutions, announces that Brandon Kriner, Area Lead, has been elected Executive Vice President for the National Property Management Association (NPMA). NPMA is the leading membership association for personal property and fixed-asset professionals.

While on the NPMA Executive Board, Brandon will set the policy and strategic direction for the association and ensure its continued growth. On the Executive Board since 2010, Kriner's previous roles within NPMA were as the Eastern Region Vice President and Vice President, Finance.

About Brandon Kriner

Brandon Kriner, CPPM CF is an Area Lead with Sunflower Systems where he provides project management, systems implementation, and training expertise across a range of Sunflower customers. A former Government Property Manager, Brandon specializes in U.S. Government Property Management. In addition to being the Executive Vice President for NPMA, he is the Chair of the ASTM E53.20 Subcommittee on U.S. Government Property Management Systems.

About Sunflower Systems

Sunflower Systems is an enterprise asset management solutions company specializing in the deployment of software tools and business processes to simplify lifecycle asset management tasks. Sunflower's portfolio of solutions enables organizations to improve decision-making, accountability and regulatory compliance for all types of assets including personal property, real property, IT assets, materials, vehicles and more. Sunflower Systems offers a wide range of services including software implementation, training, consulting and operational support. Sunflower Systems has been serving the property management needs of federal government agencies, universities, government contractors and national laboratories since 1997. The company has offices in San Ramon, California and Arlington, Virginia. For more information, please call 866-209-3516 or visit our website at sunflowersystems.com.
