Maggie Wood Earns NPMA Fleet Certification

ARLINGTON, VA – Sunflower Systems®, the leader in enterprise asset management software and solutions, announces that Maggie Wood, Business Analyst, has earned the National Property Management Association’s (NPMA) Certified Federal Fleet Specialist (CFFS) certification. NPMA is the leading membership association for personal property and fixed-asset professionals.

A CFFS certification allows the fleet management professional to support fleet activities and is a “vehicle control officer” or fleet Point of Contact in an office. Recipients of the CFFS certification have received classroom training and are able to demonstrate knowledge in basic federal fleet management topics, fleet information management including regulations, systems, and data, and fleet optimization.

About Maggie Wood

Maggie Wood, CPPS, CFFS is a Business Analyst with Sunflower Systems, Inc. where she focuses her asset management activities supporting federal agencies, as well as new implementations of the system. She aids in improving clients’ business processes, designs new solutions to meet clients' evolving needs, creates documentation, and provides end user trainings. In addition to her client work, Maggie also assists with product testing and marketing initiatives.
