POLYAK JOINS THE ASSET MANAGEMENT CONFERENCE AND EXPO ADVISORY BOARD

ARLINGTON, VA – Sunflower Systems®, the leader in asset management software and solutions announces that Jeffrey Polyak, Vice President of Solutions has been named to the Asset Management Conference & Expo Board of Advisors. The Asset Management Conference & Expo is dedicated to educating professionals about best practices for managing their assets throughout the enterprise. This event offers a unique opportunity for attendees to see first-hand the hardware, software, and service providers who can help implement an automated asset management system. The details for the 2009 Asset Management Conference and Expo are still being finalized.

“We are pleased to have Jeffrey as an integral part of our 2009 Advisory Board”, said Jane Yallum, managing partner of The Clarion Group, Inc. which organizes this event. “He brings a broad perspective of asset management practices and clarity to the bottom-line benefits of tracking classes of assets. His market knowledge and experience will provide a new depth to our 2009 conference program.”

About Jeffrey Polyak

Jeffrey Polyak is an accomplished leader in the enterprise asset management arena. Mr. Polyak's focus is on IT solutions that manage the physical and financial accountability of assets and the implementation of industry leading practices to ensure maximum return on investment through effective resource management. As Vice President of Solutions, Mr. Polyak manages all aspects of the implementation, sales and marketing of Sunflower Systems asset management solutions. Prior to joining Sunflower, Mr. Polyak served in management roles at Oracle Corporation and BearingPoint where he led teams focused on systems implementation, business process re-engineering, software integration, lifecycle asset management solutions and Federal ERP system deployments. Before joining BearingPoint, Mr. Polyak was an Associate at Columbus Public Affairs providing political strategy and advocacy in the healthcare, banking and high-tech arenas. Mr. Polyak holds a bachelor's degree in political science from American University.

About The Clarion Group

The Asset Management Conference & Expo is organized by The Clarion Group, Inc., an event management firm specializing in technical education. The Clarion Group produces and manages a number of industry events such as the DoD RFID Summit for Industry, the UID Forum, UID BootCamps, and the UID Dialogue Conference.
