SUNFLOWER SYSTEMS NAMES BRIAN THOMPSON VICE PRESIDENT OF SOLUTIONS, STRATEGIC MARKETS

SAN RAMON – Sunflower Systems®, the leader in asset management software and solutions, announced that it has appointed Brian Thompson to serve as Vice President of Solutions, Strategic Markets, effective May 18, 2009.

Thompson will report to Naeem Raza, Chief Executive Officer at Sunflower and his responsibilities will include the sales and marketing of Sunflower Systems solutions to key strategic accounts, exploring new markets and enhancing general sales operations.

“Brian is an experienced business executive with a track record of driving growth and innovation,” said Raza. “I look forward to what the team will accomplish with his leadership.”

Thompson is a respected executive with a distinguished 18-year career leading software sales and professional services operations for turnaround and S&P 500 organizations. Thompson currently serves as NPMA Western Region Vice President, is a frequent contributing author to *The Property Professional* publication where in 2007 he earned an Award of Merit for Literary Excellence and he is also a frequent speaker at NPMA educational/regional events.

Thompson has served as Vice President of Sales for AssetSmart where he strengthened the organization’s sales, marketing and general management operations. As Director of Sales for SunGard, he managed a team responsible for generating more than \$12 million annually and was entrusted to build and market the world's first Internet-based multi-bank online treasury service which achieved profitability within the first 18 months while maintaining 100% client retention since inception.

Thompson also currently serves as Director of Program Development for Train 4 Autism, an all volunteer non-profit organization dedicated to raising funds and awareness for autism. Thompson earned a Master’s in Business Administration and a Bachelor of Science in Management from Pepperdine University and is a former faculty member of the UC Berkeley Haas School of Business.
