ROBERT KING ELECTED PRESIDENT OF NPMA FEDERAL CENTER CHAPTER

ARLINGTON, VA – Sunflower Systems®, the leader in enterprise asset management software and solutions announces that Robert King, Solutions Development Manager, has been elected President of the Federal Center Chapter (FCC) of the National Property Management Association (NPMA). NPMA is the leading membership association for personal property and fixed-asset professionals. The Federal Center Chapter is the largest chapter in the NPMA and its membership consists predominantly of federal government agency property professionals.

“I’m honored and excited to have the opportunity to continue to serve the Federal Center Chapter”, said King. “I am looking forward to working with our board to position our chapter members to meet the ever-changing challenges of the property management profession.”

About Robert King

Robert King, CPPS, is a Solutions Development Manager for Sunflower Systems, Inc. where he works with a variety of government agencies to enhance their property and logistics management processes, policies and technologies. He has worked with more than a dozen government agencies over the last ten years and has implemented solutions to address all lifecycle asset management functions. Rob currently serves as the Executive Vice President of the FCC and was a speaker at the 2008 and 2009 NPMA National Education Seminars.

About Sunflower Systems

Sunflower Systems is an enterprise asset management solutions company specializing in the deployment of software tools and business processes to simplify asset management tasks. Sunflower’s portfolio of solutions enables organizations to improve decision-making, accountability and regulatory compliance for all types of assets including personal property, real property, IT assets, materials, vehicles and more. Sunflower Systems offers a wide range of services including software implementation, training, consulting and operational support. Sunflower Systems has been serving the property management needs of federal government agencies, universities, government contractors and national laboratories since 1997. The company has offices in San Ramon, California and Arlington, Virginia. For more information, please call 866-209-3516 or visit our website at www.sunflowersystems.com.
